

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST02643LA

This Certificate issued to VOGTAERO
3498 N. San Marcos Place, Suite #6
Chandler, AZ 85225

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

**Certification basis is set forth on page 3.*

Original Product Type Certificate Number: A16WE
Make Boeing
Model 737-600 Series, -700 Series, -800 Series, -900 Series & -900ER Series

Description of Type Design Change: Installation of Stow Bin Protective Wear Strip in accordance with the FAA Approved VOGTAERO Master Data List (MDL) No. VA-2520-W10-MDL Revision B, dated February 7, 2017, or later FAA approved revision.

Limitations and Conditions: This approval is limited to Master Data List (MDL) No. VA-2520-W10-MDL only. The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted aircraft model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. VOGTAERO Instructions for Continued Airworthiness (ICA) Document VA-2520-W10-CMM (25-20-10) Revision IR, dated January 4, 2017 or later FAA approved revision must be made available to the operator at the time of installation.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 20, 2016

Date reissued:

Date of issuance: March 8, 2017

Date amended:

By direction of the Administrator

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.

Supplemental Type Certificate
(Continuation Sheet)

Number ST02643LA

Certification Basis:

Based on 14 CFR §§ 21.115 and 21.101 for non-significant changes to type design, the certification basis elected by the STC holder for the modifications and installations to Boeing 737-600 Series, -700 Series, -800 Series, -900 Series & -900ER Series airplanes modified by this change is as follows.

- a. The type certification basis for Boeing Models 737-600 Series, -700 Series, -800 Series, -900 Series & -900ER Series airplanes is shown in TCDS A16WE for parts **not changed or not affected** by the change.
- b. The certification basis for parts **changed or affected** by this change as of the reference date of application October 20, 2016, is based on Part 25 as amended by Amendment 25-77 for 737-600 Series, -700 Series, -800 Series and Amendment 25-91 for 737-900 Series and Amendment 25-108 for 737-900ER Series. Based on 14 CFR §§ 21.115 and 21.101, the certification basis for this modification was determined to be:

Regulations at the latest amendment

25.1301(a)

Regulations at an intermediate amendment

NONE

Regulations at the amendment level in TCDS A21EA

25.601, 25.25 and 25.1529
